Dear Frank:

On behalf of the Louisiana Organ Procurement Agency, I would like to thank you for coming to New Orleans and presenting your TSI workshop.

You and Jack are amazing speakers and did an incredible job with the entire day. The presentation and way it was presented was so effective. We received such positive feedback from our volunteers that are both donor families as well as organ recipients.

Of all the volunteers who came to the presentation, most of them were first uncomfortable speaking of their life changing experience. Since then, they have been open and excited about sharing their stories.

Outside of our volunteer program, the LOPA staff really enjoyed listening to you speak as well. On a personal level, of course sharing dinner with you was most enjoyable.

Thank you again for taking time to change the lives of so many Louisianans.

Sincerely,

A handwritten signature in cursive script that reads "Lana Stevens".
