Mr. Pete Radigan
Transplant Speakers International, Inc.
P.O. Box 6395
Freehold, NJ 0728

Dear Pete,

We just wanted to thank you for coming to Oklahoma City and Tulsa to present your TSI speakers workshop.

You and Janet did a wonderful job, and the combination of transplant recipient and donor family, as you said, is very effective.

All of the comments we received from our participants have been positive. Those who have spoken to groups on behalf of organ and tissue donation before felt they were able to improve and add to the presentation of their own stories after the training. And, those who have never spoken before gained the confidence they needed to tell their stories.

We have even had several of the participants arrange their own speaking engagements since the workshop.

Tammye and I look forward to your coming in May to train new speakers and to continue the training of those who have already taken the basic workshop.

Respectfully,

Phil Van Stavern
Director of Marketing
& Communication
The Oklahoma Organ Sharing Network
(13-year kidney recipient)
