Mr. Peter Radigan  
Transplant Speakers International  
3809 Corral Court  
Freehold, NJ 07728

Dear Pete:

It was a pleasure speaking with you last week. As we discussed, representatives from Transplant Speakers International will travel to Buffalo in May 2002 to train our volunteers. Your facilitators do a great job in preparing donor families and recipients to share their stories in the community. I look forward to the presentation.

Please call me if you have any questions.

Sincerely,

Delia A. Joslyn  
Director of Community Relations
